Live Planetarium Tours 7 SHOWS

Presented live by a Kaleideum educator — the program changes with the audience and the season. The source catalog lists no running times for these.

SHOW	ABOUT	NOTES
Tonight's Night Sky	The stars and constellations visible tonight, this time of year — with a planet or two if they're up.	Live · the standing "Live Planetarium Tour" in Now Showing
Stars and Planets	A look at the night sky, then a short tour of the Solar System — all eight planets, plus a stop at Pluto.	Live
The Solar System	The fuller tour: planets, several large moons, and the dwarf planets, with close looks at surface features like Olympus Mons and the Great Red Spot.	Live
Earth, Moon & Sun Exploration	A full-dome digital program touring our cosmic neighborhood — the Sun, Earth, planets, and moons.	Recorded program (the source doesn't bill it as live)
Zodiac Sky Tour	The zodiac constellations — the constellations of the ecliptic — and what your sign actually looks like in the sky.	Live
Starry Safari	For younger astronomers: the animals in the night sky — lions, bears, dragons, dogs, bulls, and more.	Live · youngest audiences
Carolina Skies	The stars and constellations across the whole year, moving through the seasons.	Live · typically for school groups only

Full-Dome Movies 9 SHOWS

Films that fill the whole 40-foot dome. Lengths are the producers' published running times, added Nov 17, 2026.

SHOW	ABOUT	LENGTH	NOTES
Sesame Street's One World, One Sky	Big Bird and Elmo explore the night sky with Hu Hu Zhu, take an imaginary trip to the Moon, and discover how different it is from Earth.	27 min	Youngest audiences
Hazelnuts	Nino and Lilli, two squirrels searching for super hazelnuts, learn about the planets, how the Earth formed, and how life evolved — and find the perfect planet.	25 min	Currently in Now Showing (daily 2 pm)
Zula Patrol: Under The Weather	When weather is stolen from the planets, the Zula Patrol comes to the rescue — weather on Jupiter, Venus, Mars, and Earth, and how it compares.	23 min	
Cosmic Adventure	A roller-coaster ride from the Moon through the Solar System, our Galaxy, and the Universe. Narrated by Nancy Cartwright.	20 min	From Cosm Studios
Mars: The Ultimate Voyage	What it takes to make it to Mars — the challenges astronauts will face, and why creativity, communication, and collaboration matter in deep space.	26 min	From Morehead Planetarium and Science Center
Oasis in Space	A voyage through the Solar System, galaxy, and universe in search of water — the key ingredient for life on Earth.	24 min	
Universe	Humanity's evolving understanding of the universe, from ancient astronomical sites to a glimpse into the cosmos.	23 min	
Expedition Reef	An oceanic safari into coral reefs — the "rainforests of the sea" — how corals grow, feed, and reproduce, support over 25% of all marine life, and face threats from climate change, habitat destruction, and overfishing.	26 min	
Microcosm	The year 2053: shrink to the size of a microbe at the Center for Miniaturized Medicine, get injected into a patient with a mysterious viral infection, and race to save them on a ride through the human body.	20 min	

Laser Story Shows 2 SHOWS

Laser programs with a story, not a soundtrack — an entertaining story of space or time, broken up by songs.

SHOW	ABOUT	FULL	SOURCE
A Brief Mystery of Time	A humorous program about the science, history, and cultural perceptions of time — black holes, worm holes, the speed of light, and the possibilities of time travel.	44 min	Laser Fantasy

SHOW	ABOUT	FULL	SOURCE
The Great Space Chase	"It's an Intergalactic, Virtual-Reality Accelerator Suit. And it's been stolen!" Lt. Photeus tracks the sinister Captain Xenon through the Solar System in a detective mystery that teaches the Solar System and the universe.	40 min	Laser Fantasy

Notes — still being confirmed

- The planetarium tours list no running times on the source catalog (they are live shows). Movie lengths in this catalog are the producers' published times, added Nov 17, 2026 — the source catalog still marks them “LENGTH NEEDED.”
- Elton John's full-show time and Cosmic Fun's matinee time are listed as “tbd” on the source page.
- AC/DC's matinee list shows “For Those About to Rock” twice on the source page (first and last) — kept as printed; worth one check with the Dome operator.
- Provider credits are not listed on the source page for Led Zeppelin, Britney Spears, Backstreet Boys, *NSYNC, Guns N Roses, Nirvana, and Lady Gaga.
