Recurring Programs

Animal Encounter

Wednesdays, Fridays, and Saturdays, 11:30 am

Meet one of Kaleideum North's resident animals up close. Learn more about its behavior, adaptations, care, and handling from our animal care staff.

Curiosity Cart

Wednesdays and Fridays, 10:30 am

Spark your curiosity through arts and crafts, museum collections, storytime, and more. You never know what exciting adventure will accompany the Curiosity Cart!

Laser Specials

Tuesday-Friday, 4 pm
Saturday, Noon and 4 pm
Sunday, 4 pm

The Kaleideum laser light system has been upgraded! Purchase tickets at the Welcome Desk. \$2 members, \$3 non-members. Featured Artist Schedule for Saturdays and Sundays:

- April 2 and 3 **Queen**
- April 9 and 10 **Daft Punk**
- April 16 and 17 **Led Zeppelin**
- April 23 and 24 **Prince**
- April 30 and May 1 **'NSYNC**

Prism Experience

Tuesdays and Thursdays, 10:30 am

Explore a hands-on innovation activity that focuses on STEAM (Science, Technology, Engineering, Art, and Math) in creative ways. Prism is an engineering and innovation initiative sponsored by the L. David Mounts Foundation.

Science Live

Tuesdays, Thursdays, and Saturdays, 1-3 pm

From colors to gravity, you'll discover the science around us in demonstrations that illustrate a cool science concept.

NC Science Festival

Star Party Day One & Day Two

Friday, April 8, 9 am-1 pm and 7-10 pm

Explore the universe at the Statewide Star Party weekend at Kaleideum North! This year's theme is "Understanding the Universe." Learn about telescopes, constellations, and galaxies in the night sky and enjoy astronomy-related activities around the museum. Continue at our evening star observation Friday night at the Pilot Mountain Visitor Center from 7 to 9 pm.

Saturday, April 9, 10 am-2 pm and 8-10 pm

Activities will be set up around the Planetarium entrance with a focus on the James Webb Space Telescope. Stop by the Kaleideum circle parking lot at sunset for a FREE star observation with Forsyth Astronomical Society from 8 to 10 pm.

STEM and Innovation Expo

Saturday, April 9, 10 am-2 pm

The city-wide expo will feature a wide variety of hands-on activities and demonstrations highlighting research from academic institutions and research labs around the city. Investigate pathways to STEM careers while exploring the city's innovation and STEM ecosystem. Check out demonstrations and inquiry-based programming from drone experts, biotechnology partners, robotics teams, computational thinkers, and other STEM professionals. This wide variety of partners will bring an awareness of the diversity of STEM careers and training opportunities available in our region and supported by our curriculum and business/community partnerships. Join us for this great family event in Kaleideum's beautiful 18-acre outdoor environmental park with live music, food trucks, and science!

The Science Of Winston Salem

Novant Health will be on site with a COVID-19 Vaccine Clinic for ages 5 and up.

Little Innovators (\$R)

Saturday, April 9, 11:30 am

This STEAM (Science, Technology, Engineering, Arts, and Math) program is designed for curious preschoolers and focuses on exploration, play, and discovery through project-based learning. \$5 per member; \$8 per non-member. (Ticket includes one Adult with one Pre-K Innovator; Adult must attend with child.) Museum admission is not included. Register at kaleideum.org.

Homeschool Programs: Geology at Work (Grades K-6+)

Tuesday, April 12, 1:30 pm

Kaleideum's Homeschool/Small Group Programs occur monthly for homeschoolers and small groups of 10 or fewer students. Pre-registration is required, and group admission rates apply. Program is \$5.50 per student in addition to the admission cost.

Mrs. Cottontail & Friends

Thursday, April 21, 11 am

It's storytime with a twist ... Mrs. Cottontail will read a story, do yoga exercises, and bring a special fluffy friend! Included with admission.

Kaleideum Invention Convention

Saturday, April 30, 10:30 am-2:30 pm

This regional competition allows students to successfully engage in problem-solving and design thinking. Students will display and present their inventions to judges and their peers.

Kaleideum Invention Convention is presented by

Collins Aerospace

with additional support from

Linville | Team Partners
