# MESStival

Saturday, May 20, 2023 • Kaleideum North • 11 am-3 pm

Dress for MESS and water! We recommend old white t-shirts and bathing suits. Bring a change of clothes if you want to go inside the museum! There are outdoor bathrooms.

## Amphitheatre

- **Making Magick Productions: 11 am-1:30 pm.** Get ready to groove and move to the beats of our fabulous DJ!
- **Foam Party: 2-3 pm.** Get ready to end your day with some soapy, sudsy, bubbly fun to clean up after your messy day.
- **Color Confetti Cannons: 2-3 pm.** Our confetti cannons will add a dash of color for you to splash around in the fluffy foam.
- **Sidewalk Chalk.** Unleash your inner artist and decorate the amphitheater with sidewalk chalk.
- **Giant Bubble Play.** Blow, chase, reach, pop, and stomp on giant bubbles in this exciting form of sensory play.

## Science Park

Our science park becomes a water park for the day! Jump and splash on the Splash Pad, see how far you can slide on our giant Slip 'n Slide, and then cool off in our Kid Wash Machine.

## Barn/Children's Garden

- **Barn Painting.** Come add to the art on our barn with water squirters of paint.
- **Mud Pies.** Dig, pat, and play in the dirt to make mud pies and more.

## Millennium Plaza

- **Spin Art.** For those that want to keep their art on paper, make your own creation and stay dry!
- **Face Painter.** Your face should be part of the art for today!
- **Arts Council of Winston-Salem & Forsyth County.** Information and survey.
- **You Can Vote.** Information and registration.

## Sundial

- **Water Rocket Demonstrations: 11:30 am and 12:30 pm.** Join us for water rockets, Mentos and Coke explosions, and other surprises.

## Native Tree Forest

- **Oobleck Pools.** Is it solid or liquid? Find out when you jump, squish, mash and play with this suspension of cornstarch and water.
- **Shaving Cream Play.** Swirl it, color it, build with it, and do whatever your imagination can think of.
- **Community Art with Yosimar Alvarez.** Play with color and texture as you create a collaborative art project using watercolor bubbles. Make small prints that you can take home as well!
- **Baby Area with Orbeez Sensory Play and Edible Paint.** Messy fun for the littlest ones! Enjoy this special area with your crawler so they don't miss out on the fun. Play in pools of giant Orbeez and crawl through edible paint.

This project is supported by **Arts Council of Winston-Salem and Forsyth County** and **N.C. Arts Council**, a Division of the Department of Natural and Cultural Resources.
